Sir:

The undersigned attorney, William S. Galliani, respectfully requests the granting of this petition under 37 CFR §1.47(A). The undersigned attorney makes this petition as the authorized representative of Altera Corporation, assignee of the subject application ("the Assignee").

As indicated in the undersigned's attached Declaration, the specification was originally filed with an unsigned declaration listing Kerry Veenstra, Krishna Rangasayee and Robert Bielby as inventors. Krishna Rangasayee cannot be reached to sign these documents. Mr. Rangasayee was employed by the Assignee at the time the invention was conceived and developed.

Before filing the application, attempts were made to provide each inventor with a copy of the application for an opportunity to review and sign the application, but the only inventor available was Kerry Veenstra. After filing the application, attempts were once again made to provide Mr. Rangasayee and Mr. Bielby with a copy of the filed application, declaration and assignment documents (including serial number and filing date). Mr. Bielby was ultimately located and has executed the attached documents. However, Mr. Rangasayee cannot be located.
